LONG LIVE MONIKA! A NIGHT FOR MONIKA DÖRING (1937–2024)

She likes it loud. She wants power. And she loves drama. Monika Döring, a music-obsessed icon of Berlin's cultural scene, departed this earthly realm in May 2024. The last day of the final edition of A L'ARME! will be a massive farewell party and a celebration of her inestimable influence and her unmistakable style. We will be bringing together many of her favorite acts for an evening of music dedicated to Monika, just the way she would have wanted it. Loud, energetic, and full of drama.
